THE BEGINNINGS

Nestled in the heart of Giza, where the majestic pyramids cast their ancient shadows, Fayed Travel's story unfolds like a timeless tale. The great grandfather started as a humble torgoman (Arabic for a person who speaks fluently a language they never learned), as he enjoyed unfolding the stories of the ancients into the tapestry of each tour. As visitors from every corner of the world followed his footsteps, they were transported back to a golden age, where the Great Pyramids stood as silent sentinels to a civilization that once ruled the world.

A FASCINATION TURNING INTO A LEGACY

Fayed's fascination with his ancestors' legacy was the driving force behind his modest venture. A deep-seated desire to share the wonders of ancient Egypt with the world transformed his personal enchantment into a mission. As he led tourists through the labyrinthine corridors of the pyramids, he painted vivid pictures of the pharaohs' lives, their triumphs, and their tragedies.

"LUXURY TRAVEL IS NOT JUST A DESTINATION; IT'S A JOURNEY OF SELF-DISCOVERY & FULFILLMENT."
